

# Circulation

Stacking Chair

*Don't Sweat It®*

Back measures 21.5"H x 15.5"W

Seat measures 18"H x 17.75"W x 18"D  
with a 16° slope for natural positioning

Ventilation holes add  
style and breathability

Optional casters create a mobile task chair.

Optional tablet arm creates compact student seating.

## A-F. Circulation Stacking Chair

- The Circulation Stack chair marries style and comfort in a unique and modern package. The sleek design features a perforated pattern in the seat and back for excellent ventilation.
- The seat and back are injection-molded polypropylene contoured to provide a comfortable fit. Seat features 16° slope for a natural sitting position.
- In stock in black. Sold in sets of two or four chairs for easier shipping. Custom colors available for orders of 500 or more chairs. Call for details.
- Optional arms available for added comfort. Add casters and create the perfect computer task chair. Both require assembly to chair.
- New optional tablet arm creates compact student seating. Tablet measures 14"W x 12"D. Folds down when not in use. Sold in sets of four. Note: chair no longer stacks when used with tablet arm accessory.
- Custom colors available for quantities of 500 or more chairs. Call for details.
- TAA compliant. Has achieved GREENGUARD Certification.

Optional arms

Stack chairs up to eight high.
